

1. Go to <http://www.cfainstitute.org> and log in to your profile

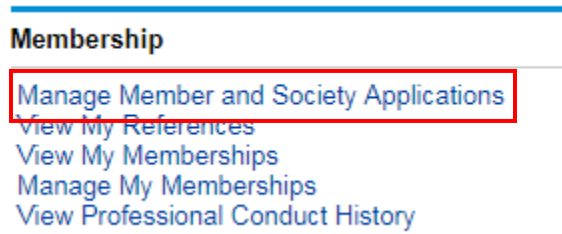

2. After you log in, click "Your Account" and then select "Your Membership"

3. Under the Manage Your Memberships section, select "Your Membership and Society Applications"

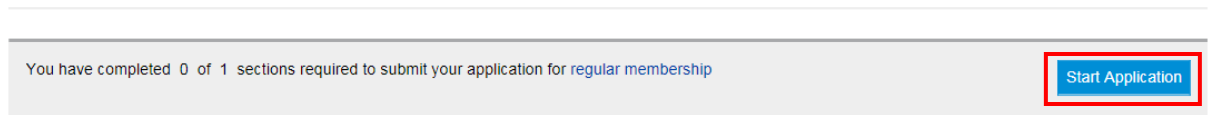

4. On the next page, select “Manage Member and Society Applications”

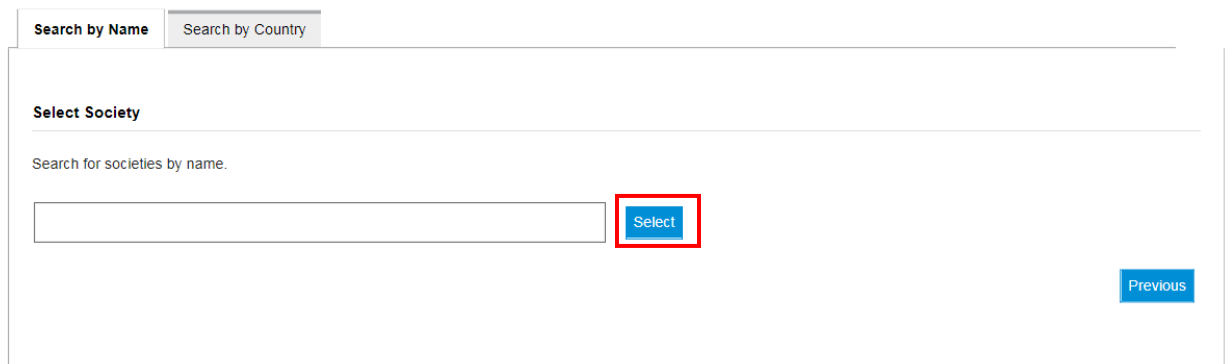

5. Select “New Society Application” from the blue boxes on the right side of the screen

6. On the next screen, select “Start Application”.

7. Select the society to which you’d like to apply. You can search for the society by name or by country.

8. Once you’ve selected CFA Society North Carolina, click the blue “Save & Continue” button. This will take you to a final screen, where you should click the blue “Submit Application” box to complete the application process.

After you submit this application, the society will review it, and once it's approved you'll receive an email confirmation. There is a link in that email confirmation to activate your membership. Follow that link to pay dues to the society and become an active member!
